9:00 am Workshop til 12:00

*Using **Tool 5** as a basis, we will delve into our experience, strength, and hope around the topic of **savings**. Speakers and sharing time will be provided. Speakers will share on what it was like, what happened, and what it is like now in regards to saving money: how savings can be built, what the spiritual journey through this process has been including overcoming impediments to saving, and what having savings has produced for our members.*

Tool 5: "... The Spending Plan includes categories for savings (to help us build cash reserves, however humble). Savings can include prudent reserve, retirement, and special purchases."

Suggested 7th Tradition is \$5.00 to \$10.00*
(No fee required to attend.)

*Please give as generously as possible within a balanced, solvent spending plan. Proceeds above workshop costs support D.A. public information and other service functions of Oregon D. A. Intergroup and D.A. World Service including sending local Group Service Representatives to the annual World Service Conference.
