Every year Oregon members of Debtors Anonymous come together at a central location for a day of fellowship.

This is our chance to:

- ✓ Meet DA members from around the state
- ✓ Hear reports from General Service reps who attended the World Service Conference
- ✓ Participate in workshops
- ✓ Have and/or give a Pressure Relief Meeting

Proceeds support the service work of Oregon Debtors Anonymous Intergroup.

**Newcomers**, long-timers, and everyone in between are welcome! Please join us!
